

LAWN MOWER

<http://tiny.cc/lawnmower2>

FEATURES & BENEFITS

- Mulching kit available
- Equipped with safety stop valve

Ideal for fine cut applications, such as golf courses and large acreage mowing. The mower has been designed with three blades that cut with an overlap that prevents uncut strips. MultiOne's extensive design experience makes the mower very reliable and assures a high quality cut. The independent 4 wheel support of the mower frame allows the mower deck to follow ground contours.
